

SeaWorld/Busch Gardens Young Learners P-2 Classroom Activities

Ocean Friends Nametags

OBJECTIVE

The student will identify and color pictures of ocean animals.

ACTION

1. Of the animals on the next page, each student chooses his or her favorite for a nametag.
2. Distribute crayons and a nametag to each student.
3. Students color the pictures and write their names.
4. Punch a hole near the top of each nametag. String yarn through the hole and tie the ends together.
5. Students can wear their nametags in the classroom.

MATERIALS

- yarn
- hole punch
- scissors
- copies of nametags on the next page
- crayons

DEEPER DEPTHS

Make two copies of each student's favorite animal. Have students write their name on both and color both. Use one set to create a graph that shows students' favorite animals. Which animal is the class favorite?
